Bus Detours

- Metro Transit website has the most current information about route and schedule changes.

<http://www.metrotransit.org>

Encroachments

- Private property in the boulevard may be impacted by the project, examples include:
 - Sprinkler Systems
 - Decorative Pavers
 - Flowers
 - Other Special Items in the Right-of-Way (2- 4' behind the sidewalk)

Please relocate these items from the construction area before the project starts.

Construction Notes

- There will be times that will be difficult to access into and out of the area.
 - We'll work with you on individual access into your property.
- Access to driveways will be closed for short periods during driveway apron concrete placement.
 - We'll be coordinated with property owners.
