Comments: This individual died of multiple gunshot wounds and manner of death is homicide. The Minnesota Bureau of Criminal Apprehension is the investigating agency.

Manner of death classification is a statutory function of the medical examiner, as part of death certification for purposes of vital statistics and public health. Manner of death is not a legal determination of culpability or intent.

Under Minnesota state law, the Medical Examiner is a neutral and independent office and is separate and distinct from any prosecutorial authority or law enforcement agency.
