| suspected someone from the range staff took the brass, but did n                       | ot have definite pro | of. |
|  | had a meeting with   |     |
| Officer Jezierski. During the meeting, Officer Jezierski apologized for taking the fir | rearm brass.         |     |

Upon the completion of this thorough investigation I reviewed the investigative case file materials and made my decision.

## Facts of this Case:

- Officer Jezierski admitted to taking brass from the Forest Lake Range
- Weather determined whether brass was collected from the Forest Lake Range
- Currently, there is not a standard operating procedure covered in the MPD Range SOP for how expended brass is collected/maintained/disposed of
- was unable to provide a quantity for how much brass was missing
  - The Forest Lake Range is used by multiple parties, not just the Minneapolis Police Department
  - Expended brass left at the Forest Lake Range is not just from Minneapolis Police Officers
  - Officer Jezierski admitted to using "poor judgement" in his decision making when he took brass from the Forest Lake Range

As Chief of Police I am responsible for providing clear expectations on what is acceptable behavior in our workplaces as well as what will not be tolerated. Officer Jezierski's poor judgment to collect this expended brass then subsequently transfer it on to another individual and in return receive alcohol is not in alignment with our department values and reflects negatively on the MPD. It is my decision that Officer Jezierski serve a 20 Hour Suspension for violating our department's Code of Ethics and Code of Conduct.
